

Memorandum of Understanding

This MOU is made effective as of the 3rd day of March 2025 (the Effective Date)

Between

Krirk University, Bangkok, Thailand

And

Institute of International Economic Relations

Desiring to establish and promote relationships in academic and research field in an institutionalised framework based on both parties' agreement to this Memorandum of Understanding (MoU). The MoU establishes the following:

Article I

Purpose of the Cooperation

The purpose of the cooperation between Institute of International Economic Relations, Moscow, Russia and Krirk University, Bangkok, Thailand is to develop academic collaboration of the two institutions and promote the mutual understanding. Cooperation between the two institutions concerns the interaction, research, and academic exchange. The two parties shall conclude programme agreements in order to provide specific cooperation and exchange research projects in specific fields of mutual interests.

Article II

Scope: Area and Method of Cooperation

The area of cooperation includes any program offered by either of the participating parties determined to be desirable and feasible for developing cooperative and productive relations.

The methods of cooperation include, subject to the availability of funds and the approval of each institution, research and academic activities or programs such as:

1. Joint Research collaborations and joint publications of research papers in highly ranked peer-reviewed journals resulting from the collaboration within program cooperation.
2. Participation in trainings and workshops for researchers and faculty.
3. Participation in and co-hosting of lectures, meetings, seminars, symposia, and conferences.

4. Exchange scholars, students and research related to information, and publications within the limits of legal rules and regulations.
5. Joint application for funding collaborative projects from relevant funding agencies with prior approval of respective institute.
6. Collaboration in other areas that foster research and educational cooperation.

Terms of each activity program, including budget for each program and activity, shall be discussed, and agreed upon in writing by both parties prior to the initiation of the particular program or activity. All terms shall be negotiated on a mutual basis and documented in a project or program agreement. Such joint programs and resulting agreements shall specify the specific responsibilities and obligations of each party.

Article III

Intellectual Property

Procedures for the handling of Intellectual property rights that may arise during the course of this collaboration shall be outlined in a separate document. All terms shall be negotiated on a mutual basis prior to the start of the collaboration project in accordance with the policies of each institution.

Article IV

Terms of Cooperation

Length of Agreement

This MoU will remain in force for a period of five years.

Amendments

Any amendment to the MoU will require written approval of each party. After the initial five-year period, this MoU will be renewed by mutual consent.

Termination

Either party reserves the right to terminate this MoU upon six months' written notice. Any program or activity that has already commenced shall be completed to the best of both parties' abilities.

Signatures

Two signed originals of this MoU will be produced, one to reside with each party
